

PRIME MINISTER

No. 111-PMH/83

New Delhi,
April 15, 1983

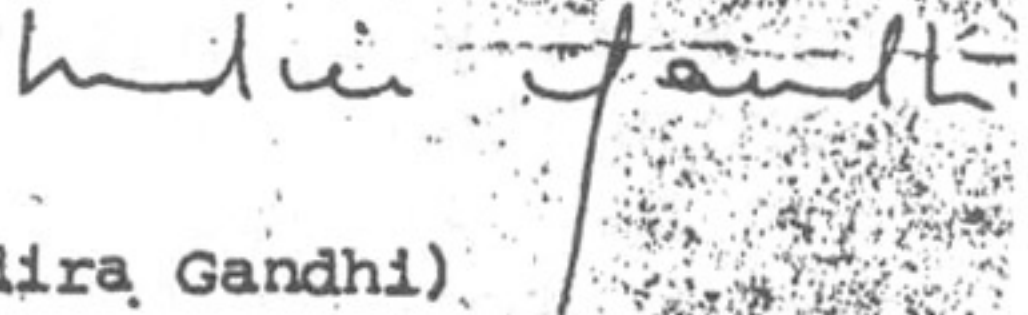

Dear Shri Dhanak,

I have received your letter of 9th April.

Any move which brings people of different castes and communities together is welcome. The suggestion that persons of the Scheduled Castes should adopt and be adopted by others on Raksha Bandhan as brothers and sisters is a good one.

I wish the campaign success.

Yours sincerely

(Indira Gandhi)
